Who we are

T & A Zyroxen Pvt. Ltd. is a premier Indian B2B manufacturer and global exporter delivering authentic culinary heritage and sustainable packaging solutions to international markets. Operating advanced processing facilities across Mumbai, Ahmedabad, and Rajkot, we integrate traditional Indian culinary arts with state-of-the-art automation and rigorous quality control standards. Our portfolio encompasses premium frozen Indian delicacies with an extended shelf-life of up to 18–24 months (at -18°C), ready-to-eat meals, eggless bakery ranges, freshly ground spices, and commercial-grade biodegradable tableware tailored for modern foodservice networks. **The Zyroxen Edge: Redefining Global Sourcing**

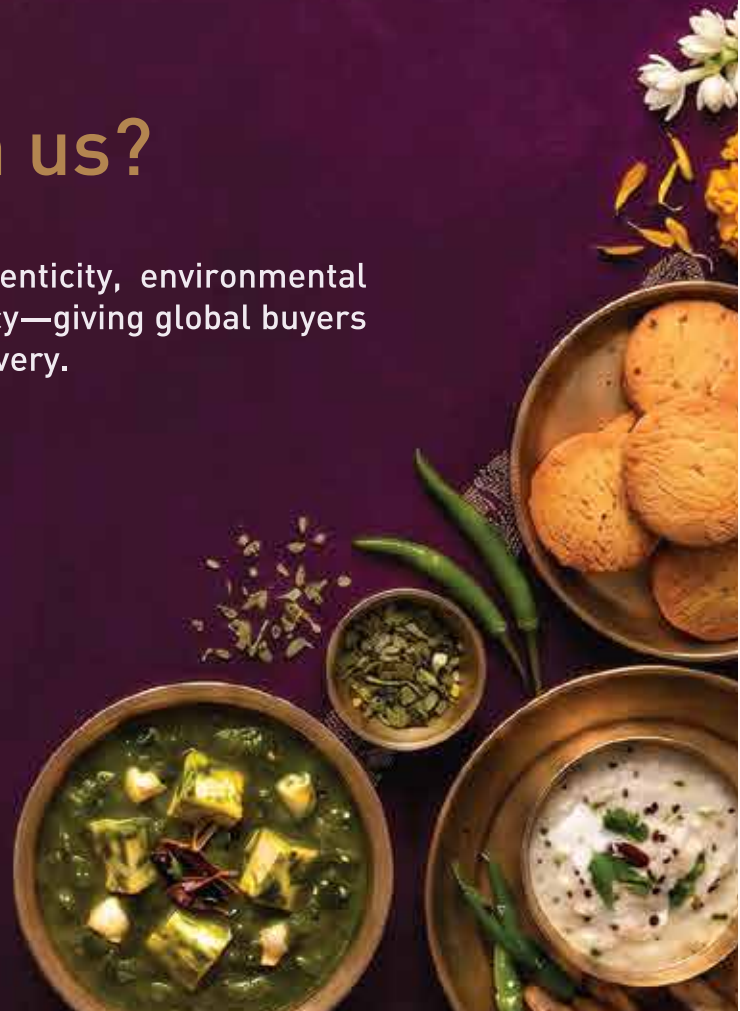

Zero-Defect Commitment & Documentation: We eliminate the primary risk in international trade—inconsistent product quality and clearance delays. Our dedicated panel of regulatory and compliance experts inspects, certifies, and manages every shipment end-to-end, guaranteeing that the exact specifications you order land seamlessly in your warehouse with zero compliance friction. **B2B & White-Label Mastery:** Comprehensive private-label development, custom formulation, and market-specific packaging engineered to meet destination compliance and consumer preferences. **Streamlined US Distribution:** Strategic warehousing on both the East and West Coasts of the United States enables shortened leadtimes, optimized logistics, and uninterrupted stock replenishment. **Commercial Profitability:** Direct-from-source procurement, scalable capacity, and volume pricing designed to maximize profit margins for global distributors, retail chains, and food enterprise operators.

Who can partner with us?

At **T & A Zyroxen**, we combine culinary authenticity, environmental responsibility, and total operational transparency—giving global buyers absolute certainty from factory floor to final delivery.
